**START Studio Best Practices:**
(A copy of these guidelines is posted on the door in the studio, for future reference)

- Masks are required at all times in the SAA studios, no exceptions.
- There is no food and drink allowed in the SAA studios.
- Closed-toed shoes must be worn in the studio at all times.
- To participate in SAA classes/studio time, you must be registered in COVID Pass.
- The SAA studios maintain the same schedule as W20 and are open from 6am-2am during the fall, IAP, spring and summer terms except on holidays when the building is closed. Those registered for SAA classes who are also in COVID Pass are welcome to use the space independently as long as another class is not in session.
- Studio schedules will be posted on the doors and online at the beginning of each term. Your ID will not be cleared for studio access until after you have attended your first class meeting where important studio guidelines and safety procedures will be covered. Multiple consecutive missed classes may result in the loss of outside of class studio privileges.
- Always clean up after yourself. The START Studio is a flexible makerspace, and needs to stay clean enough to be used for a variety of processes throughout the day. Always leave the studio cleaner than you found it.
- Never attempt to use equipment or materials you have not been trained to use *in our studio*. If you are ever uncertain how to use a piece of equipment, ask the instructor or studio monitor.
- SAA students may not use START Studio equipment or materials that are unrelated to their course.
- Please remember that our studios are shared spaces and accommodate 180+ students each term. As a student, you are expected to respect other students, their work, and the SAA/START Studio policies.
- By enrolling in a class at the SAA, students agree to adhere to the polices and best practices of the SAA. Problematic or disruptive behavior may result in loss of class and studio privileges and/or future participation in SAA programs.

**Emergencies:**
- Information on what to do in various types of emergency situations is posted by the door leading out of the studio.

**FOR QUICK REFERENCE:**
- Dial 100 or 3-1212 from any campus phone. Dial 617-253-1212 from a cell phone. The START studios W20-429.
